Online registration ease: Once logged in, forms are auto-populated with family info so you don't have to enter it each time. All open registrations are listed on the Forms tab of the Home page of Trinity Connect.

Online directory: To search, go to People on the Menu bar on the left. Enter the first 2-3 letters of their first and last name for best results.

Give: You can quickly and securely set up a repeating gift, or give one time. Go to Give on the Menu bar on the left. To view your recent gifts, or print a Giving Statement, go to the Financial tab in your profile.

- To change your privacy settings, click on your name in the upper right, click on Privacy Settings
- Only you can see your giving info, no other users have access
