## FURTHER STUDY

1. Pride is a common struggle for most and keeps us from following Christ deeply. Author C.S. Lewis described pride as "the essential vice, the utmost evil...Pride leads to every other vice: it is the complete anti-God state of mind." That's why the Bible has a lot to say about pride and arrogance.

⇒ List your observations about pride from the following verses.

Proverbs 11:2

Proverbs 13:10

Proverbs 16:18

⇒ How does Romans 12:3 help us to counteract pride in our lives?

⇒ Pride has a way of attaching itself to certain areas of our lives like our image, possessions, strengths and position. In what ways have these impacted your walk with Christ?

2. It is much easier for us to rely on our talents and abilities rather than God's help. King Asa is someone who should have known better than to fall into the trap of self-reliance.

⇒ What do we learn about self-reliance and its consequences from 2 Chronicles 16:1-12?

⇒ Where in your life do you find it hardest to rely on God's provision or plan?

3. We don't' become like Christ in a day, it's a lifelong process. Romans 8:29 talks about us being "conformed to the likeness of his (God's) son."

⇒ What insights do you see in each of these verses to help us in becoming more like Jesus?

2Corinthians 3:18

John 15:4-5

Matthew 11:28-30

4. Often times it can be challenging to consistently obey God's call and to serve Him in the way that He commands.

⇒ What does Romans 12:10-12 teach us about improving our effectiveness in carrying out these commands?

⇒ Of these three commands, is there one you need to focus on?
