

# Freed to Forgive

Matthew 18:21-35

Living from Jesus' forgiveness to live a life of forgiveness. Freedom from the bondage of unforgiveness that burdens our lives.

Who do you struggle to forgive or even refuse to forgive? Why?

How to forgive from the HEART:

- o Repent and receive God's forgiveness for your sins daily.
- o Remember the vastness of God's forgiveness given to you daily.
- o Release your desire for revenge and retaliation.
- o Reproduce God's forgiveness toward you to others.
