Adoption Grant Information

They say it takes a village to raise a child, but with the high costs associated with the adoption process, it might take a village to adopt one! The average cost for both U.S. and international adoptions range between \$15,000 and \$35,000. There are many expenses associated with the adoption process such as legal and immigration fees, travel and medical expenses--not to mention clothing, furniture, toys, and all the things needed to make your new child feel at home.

Here at Trinity we want to help Trinity members with those expenses, not only do we offer a K2F Adoption Grant but we have put together a comprehensive list of other grant options, interest free loans and fundraising ideas for you to consider. (please check out the “Additional Financial Aid Options” page).

If you are interested in applying for a K2F Adoption Grant, please email Melissa Rock at buttryxcrunner@yahoo.com and request a Grant Application. (all grant money awarded will be paid directly to the adoption agency)
