NO OTHER GOSPEL

Apr. 14, 2024

## ***A Testimony of God's Sovereign Grace*** ***Galatians 1:11-24***

“When (God) says, “Let there be light,” there is light (Gen 1:3). When God renames someone, it automatically remakes him (Gen 17:5). The Bible does not say that God speaks and then proceeds to act, that he names and then proceeds to shape - but that God’s speaking and acting are the same thing. His word is his action, his divine power.” - Tim Keller, *Preaching* (paraphrasing Timothy Ward)

God’s grace is transforming.

God’s grace inspires love in action.

Love in action glorifies God.

Paul isn’t special by himself, but Christ in him is amazing!

Why can’t Christ in you be amazing?

- God revealed Jesus in you, too.
- God saved you by grace, sustains you by grace, and sanctifies you by grace.
- God created you to do good works.
- There are people in your life that need to know the gospel.
- You are enough because Christ is enough.
