Hope When You Feel Forgotten *Genesis 8-9*

As God remembered Noah, even so He will remember us.

Have you ever felt abandoned by God?

God sent a wind.

When God's purposes have been served – the hard times go away.

God gave a sign.

We may feel forgotten and abandoned in the flood, but the dry land will appear in God's due time.

God spoke again.

Do not doubt in the darkness what God has already shown you in the light!

He left the ark.

Real faith means stepping out of the ark then trusting God with the results.

He built an altar.

The key to finding hope when you feel forgotten is to remember the God who remembers you.
