Sisters and Brothers,

God is at work in Trinity Church! When we started the Freeing Tomorrow capital campaign, our goal was to pay off the existing church mortgage to free up existing budgeted resources for increased ministry impact. Yet again, God's provision has met Trinity's need and provided the pledges which have exceeded that goal. Thank you, Heavenly Father, for your continued blessing of Trinity Church!

This campaign was always more than a financial transaction, though. It is about the people of God at Trinity trusting the goodness and provision of God and drawing closer to Him in our everyday faith. It is about actively leaning into what God is doing here and allowing His Holy Spirit to work in us. Today is a great day to join us in the work of God:

- Join us in discipling the children and youth in our community so they can grow in their knowledge and love of Christ.
- Join us in growing our love for God and our knowledge of His Word.
- Join us in repenting of sin and joyfully yielding to God's work in our hearts.
- Join us in giving of our time and financial resources to God's work through Trinity.
- Join us in actively loving those who do not know Jesus as their Savior and sharing the Gospel, so they may come to a saving faith in Christ.

God has you at Trinity for a purpose. Join us.

In Him,

Freeing Tomorrow Committee
