TRINITY

Over 75 years ago, Trinity's inception began with a vision to reach the people south of the river with the Gospel. Today, that vision and passion have not changed, though the harvest has grown exponentially. This dramatic growth in our community has provided the opportunity to reach many more people with the Gospel. A key question that our elders have been praying about and working through is what is holding us back from our mission? The answer to that question includes the reality of our remaining mortgage.

How will our current debt impact the way we move toward tomorrow?

We invite you to join the leadership at Trinity Church in dreaming about what tomorrow can look like freed of debt. Pray about how you can get involved as we move forward, always following our Lord as He leads and guides us.

Unity, Provision, Spirit-led, Ministry

These have been the focal prayer points of the **Freeing Tomorrow Campaign**. We have seen the **unity** formed around this endeavor and can celebrate God's gracious **provision**. Now, it is our corporate privilege to continue being joyful, prayerful, and thankful that Trinity's leaders will indeed be **Spirit-led** in identifying and implementing the specific **ministries** that are opening to our church and community as tomorrow is freed of debt.

THE NEXT GUEST THE NEXT GATHERING THE NEXT GENERATION

Welcoming **THE NEXT GUEST** who enters our building, so they will sense our genuine warmth, feel the love we have for one another, and recognize that we love because Jesus first loved us.

Inviting our communities, neighbors, and friends to belong and flourish with us, believing **THE NEXT GATHERING** is an opportunity to draw them to a relationship with Jesus and each other.

Providing our children and teens with a welcoming and safe space filled with affirmation, and offering a place and program that compels **THE NEXT GENERATION** to grow together as disciples of Jesus Christ.

Paying off our mortgage is a significant goal that can have a profound impact on our ministry and future. When a church is burdened with a large mortgage payment, it limits the funds available for other important and eternal purposes. A substantial portion of our budget is dedicated to servicing the debt, leaving less for ministry impact. **Freeing Tomorrow** means that we can again address and achieve our identified priorities:

- **Focused disciple-making** of the next generation.
Psalms 145:1-4; Joshua 4:1-7
- **Biblical growth and depth** at every age and stage of discipleship.
Romans 12:1-2; 2 Timothy 2:15
- **Gospel engagement** here, near, and far.
Matthew 28:18-20; Acts 1:8
