Trinity Brothers and Sisters,

As the calendar will soon turn to May and we look forward to another Minnesota summer, let the Freeing Tomorrow Capital Campaign committee encourage you to continue to be about the Lord's work. In 2 Timothy 4:2, Paul charges Timothy to be ready to share the Truth of God's Word when it is expected (in season) and when it is more challenging (out of season). For many of us, it is easy to get caught up in the pleasant activities of summer and let time slip by without really thinking about how God is leading us to serve.

The same can be said about financial commitments to the Freeing Tomorrow campaign. The recently displayed sign in the Trinity foyer shows that we have reduced the mortgage balance from over \$2 million down to \$664,470! God has accomplished much through the generosity of many of you to reduce this balance, but we are not yet across the finish line.

Please continue to prayerfully consider your financial commitment, or whether God is calling you to join us in this campaign. We have no doubt that God will complete this action, but the financial component is the lesser accomplishment. As the Spirit leads, we pray that Trinity will trust God's faithfulness and sovereignty, draw closer to Him in intimacy, and be ready in season and out of season to model our faith in this world.

In Him,

Freeing Tomorrow Committee
