

ADULT MINISTRIES FALL 2025

TRINITYCHURCHMN.COM

Welcome

Dear Friend,

I'm so glad that you are looking at Trinity's Adult Ministries Catalog for Fall 2025. As a church, Trinity believes in gospel transformation, which means that "the Good News of Jesus is the power to redeem us, free us, and continually transform all creation." We acknowledge that we are all a work in process, and God's goal is to change us more and more into the image of Jesus. So, we believe that discipleship needs to be an active pursuit of every Christian, no matter what level of Christian maturity someone has. Therefore, it is our priority that we pursue "biblical growth and depth at every age and stage of discipleship."

At Trinity Church, we do this in three primary ways:

- Rooted
- Community Groups, Classes, Men's Ministry, and Women's Ministry
- Deep Discipleship (coming, Lord willing, Winter 2026)

Rooted is our foundational 11-week small group experience designed to connect you to God, the Trinity community, and your purpose. Whether you are exploring who Jesus is, brand new to following Him, or have been a mature believer for a long time, Rooted will strengthen your faith and help you discover how your unique story fits into God's epic story in human history.

Our Community Groups, Classes, Men's Ministry, and Women's Ministry help create contexts where people can be known and loved within the body of Trinity. Our Classes focus more on specific content while Community Groups require a deeper level of commitment and have a focus on each person's growth in Christ. Our Men's Ministry and Women's Ministry draw on God's wisdom expressed in the two genders. These ministries include a focus on our unique roles as wives and husbands, fathers and mothers, daughters and sons, and brothers and sisters.

Our Deep Discipleship classes will bring college-level biblical learning into the local church. Our desire is to help the people of Trinity grow in their knowledge of God and equip them for greater service in God's kingdom.

Thank you for choosing Trinity as your church home. We are glad you're here!

Community Groups

Description:

Trinity Community Groups are where we commit to each other's growth in Christ-likeness through consistent and honest relationships in the context of the local church. Growing in Christ-likeness is diving deeper into the grace of God found in the gospel, imitating Christ by walking in love, and helping others follow Christ. We model our Community Groups after the early church practice found in Acts 2:42-47. Our Community Groups meet at least twice a month and often in each other's homes. Community Groups help us fully realize our identities as both disciples who are still growing and as disciple-makers encouraging growth in each other and sharing our faith.

This fall, as a staff, our prayerful goal is to launch two more community groups. We are currently seeing God raising more groups than that goal. Please reach out to Pastor Peter Sontag if you want to lead or be a part of a group.
