

Finishing Strong Freeing Tomorrow Together

God has blessed Trinity greatly through the generosity of His people in rapidly paying down our \$2 million mortgage balance in 17 months. With less than \$400,000 left, we are eager to keep the momentum going by redirecting these resources toward Kingdom purposes that reflect our mission and priorities. Join Trinity's leadership in praying for God's guidance as we step boldly into this exciting new season of ministry and impact.

Quick facts:

- Mortgage started at \$4,355,000 in 2007, current mortgage is \$397,199.
- Current monthly mortgage payment is \$21,495 and is 16.6% of our annual budget of \$1,555,396.
- Current interest rate of 4.25% with a projected rate change to 7.125% on March 1, 2026.
- General Fund giving this fiscal year is 10.6% below our budget.
