

Revealing the Gospel Ephesians 3:7-12

Your awareness of your need for the Gospel shapes how effectively you share it with someone else.

Evangelism isn't inventing something, it's illuminating something.

The church has a part to play in evangelism!

The Church is to reveal to the unfallen intelligences, the principalities and powers of the heavenlies the manifold wisdom of God. These shining ones whose glories so far exceed anything of which we have dreamed, whose powers of comprehension are so wondrous, will only know through the revelation of the Church, in all its fulness the manifold wisdom of God.
